VDMS is a major user of the U.S. mails, particularly Standard Mail ECR, in terms of both quantity of items mailed and costs of postage. It has an interest in the proposed rate and fee changes, and would be significantly affected by the rate and fee proposals of the United States Postal Service.

At this stage of the proceedings, it is unknown whether the Postal Service's request for rate and fee changes, as proposed, is in accordance with the Postal Reorganization Act. *See* 39 U.S.C. section 3622.

VDMS anticipates that a hearing on this omnibus rate case will be required.

Respectfully submitted,
