

BEFORE THE  
POSTAL RATE COMMISSION  
WASHINGTON, D.C. 20268-0001

EVOLUTIONARY NETWORK DEVELOPMENT  
SERVICE CHANGES, 2006

Docket No. N2006-1

OBJECTION OF THE UNITED STATES POSTAL SERVICE  
TO DAVID POPKIN INTERROGATORY DBP/USPS-90  
(July 12, 2006)

The United States Postal Service hereby objects to the following interrogatory of David Popkin, filed on July 5, 2006: DBP/USPS-90.

This interrogatory requests that the Postal Service disclose “whether, and if so, how, the consolidation” of originating operations of the Newark Post Office into the Dominic Daniels P&DC in New Jersey, as reflected in USPS-LR-N2006-1/14, “will affect the salary level of the Postmaster at Newark.”

The request in this proceeding seeks an advisory opinion from the Postal Rate Commission on whether the Postal Service’s consolidation of mail processing operations in pursuit of its Evolutionary Network Development strategy will result in changes in existing postal services on a substantially national basis that conform to the policies of the Postal Reorganization Act. However, there are no issues raised by the request to which the future (or current or past) salary level of the Newark Postmaster has any relevance. Accordingly, the Postal Service objects to providing the requested information.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux  
Chief Counsel, Ratemaking
