**PSA/USPS- T32-21.** Please refer to your responses to PSA/USPS- T32-4 and PSA/USPS-T32-5 where you show a TYBR average unit postage estimate of \$1.45 for both First-Class Mail single-piece parcels and for First-Class Mail Business Parcels. Please also refer to your response to PSA/USPS- T32-5 where you show a TY AR unit postage for First-Class Mail Business Parcels of \$1.55.

(a) Please explain why the TYBR average unit postage is the same for First-Class Mail single-piece parcels and First-Class Mail Business Parcels.

(b) Please confirm that the TYBR and TY AR average unit postage estimates for First-Class Mail Business Parcels are calculated based upon different “mail mix” assumptions and list all differences in “mail mix” assumptions used to develop these estimates.
