901 New York Avenue, NW, Suite 200

RE: Docket No. MC2002-3

Dear Mr. Williams:

In accordance with the Commission's Opinion and Recommended Decision in Docket No. MC2002-3, and witness Taufique's response to Presiding Officer's Information Request No. 1 in that docket (as revised November 21, 2002), this provides, in the attached Excel spreadsheet, the Report to the Postal Rate Commission, Experimental Periodicals Co-Palletization Dropship Discounts, Fiscal Year 2006, from October, 2006 through the end of the experiment in July, 2007. Once it became clear that Docket No. R2006-1 would act to end the experiment on July 15, 2007, the data report was held until now so that final data could be collected and reported.

Sincerely,

David H. Rubin
Attorney

The After Copalletization data generally track the data for Pre-Copalletization sacks. The number of pallets after co-palletization includes both new pallets prepared as a result of copalletization and pre-copalletization pallets that were built upon, but excludes other pre-copalletization pallets.

Please note the number of new titles in October 2006 and April 2007 is the start-over for a new reporting period. It does not represent the number of new titles added during this reporting period.
