Docket No. MC2007-5

JOINT SUPPLEMENTARY COMMENTS TO JOINT MOTION OF THE UNITED
STATES POSTAL SERVICE
AND LIFE LINE SCREENING FOR PROTECTIVE
CONDITIONS FOR MATERIALS REQUESTED IN
OCA/USPS-T1-1-2
(September 28, 2007)

The United States Postal Service and Life Line Services hereby jointly file comments to supplement their motion of September 21, 2007 for establishment protective conditions for the materials requested in the following interrogatories: OCA/USPS-T1-1-2. The Postal Service and Life Line respectfully ask the Commission to issue a protective order prohibiting the public disclosure of this information in accordance with Rule 31(a) of the Commission's Rules of Practice and Procedure.

The materials requested by these interrogatories contain a breakdown of Life Line's mail volume by sortation tier and dropship discount. Publicly revealing this information would provide Life Line's competitors with insight into Life Line's costs and mailing practices, including commingling and the percentage of mail that Life Line dropships. This information could enable Life Line's competitors to

mimic Life Line's proprietary business practices, doing Life Line competitive harm.

Respectfully submitted,
