

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

ANNUAL COMPLIANCE REPORT, 2008

Docket No. ACR2008

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING OF USPS-FY08-34, 35, AND 36
(December 30, 2008)

The Postal Service hereby gives notice of filing today the following materials in connection with its FY08 ACR:

- | | |
|--------------|---|
| USPS-FY08-34 | City Carrier Cost System (CCCS) Statistical and Computer Documentation (Public Version) |
| USPS-FY08-35 | Rural Carrier Cost System (RCCS) Statistical and Computer Documentation (Public Version) |
| USPS-FY08-36 | Transportation Cost Systems (TRACS) Statistical and Computer Documentation (Public Version) |

These were included with the list of materials filed with the ACR yesterday, but it was noted therein that these, as well as USPS-FY08-37, would have to be provided subsequently. They consist of public versions of documentation of the respective data systems. As noted in the Response of the United States Postal Service to Order No. 155, also filed yesterday, these are truncated versions of the corresponding nonpublic data systems documentation. While the contents of these files will hopefully be useful for analysis, their utility as inputs for downstream data processing is a matter that has not been fully explored, as also explained in yesterday's Response to Order No. 155. The Postal Service has not

yet completed the similar public version of the IOCS, but that will be filed (as USPS-FY08-37) as soon as it becomes available.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
