Docket No. N2006-1

**NATIONAL ASSOCIATION OF POSTMASTERS OF THE UNITED STATES  
NOTICE OF INTERVENTION**

The National Association of Postmasters of the United States (NAPUS) hereby gives notice of its intervention in the referenced proceeding in accordance with rule 20a of the Commission's Rules of Practice. In support of its limited intervention, NAPUS states the following:

1. Service of documents relating to this proceeding should be served on:

Robert M. Levi, Director of Government Relations  
National Association of Postmasters of the United States  
8 Herbert Street  
Alexandria, VA 22305  
Tel: 703-683-9027  
Fax: 703-683-0923  
E-mail: [blevi@napus.org](mailto:blevi@napus.org)

2. NAPUS is a management association, whose dues-paying members comprise approximately 41,000 active and retired postmasters in the United States. NAPUS members derive their livelihood from employment with the U.S. Postal Service, or receive annuities and health coverage as result of prior employment with the Postal Service.
3. NAPUS represents the approximately 27,000 postmasters who manage individual postal facilities throughout the nation. Moreover, NAPUS members serve as the vital link between postal reliant communities and U.S. postal policy. Moreover, postmasters are directly accountable to postal customers throughout that nation. Actions taken by the Postal Service to alter mail service influence the working conditions of NAPUS members, impact the employees who postmasters supervise, and affect the communities in which postmasters serve.
4. Consequently, NAPUS has a strong and statutory interest in matters to be heard and decided in this proceeding of such nature that its intervention is necessary and appropriate.

Respectfully submitting,
