POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING REPLACEMENT CD-ROM FOR USPS-LR-L-9 [ERRATUM]
(May 16, 2006)

The United States Postal Service was made aware that a file included in the CD-ROM filed as part of USPS-LR-L-9, *In-Office Cost System (IOCS) Statistical and Computer Documentation (Source Code and Data on CD-ROM)*, indicated that certain information was privileged and confidential. Further investigation confirmed that report as well as the facts that the indication of confidentiality was incorrect, and that the underlying numerical information was correct despite the incorrect label. Accordingly, a replacement CD-ROM has been produced and is being placed into each copy of USPS-LR-L-9, including those on file with the Commission and those available in the library at Postal Service Headquarters.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
