June 23, 2006

**RESPONSE OF UNITED STATES POSTAL SERVICE WITNESS TAUFIQUE
TO INTERROGATORY OF DOUGLAS CARLSON**

DFC/USPS-T32-5. Please refer to the chart on page 23 of your testimony. Please explain the derivation of "\$0.037" in the "Diff. From Letters" column and the "Flts." row.

RESPONSE

This was a typographical error on my part. The number is supposed to be \$0.37 and not \$0.037. It is derived by subtracting \$0.197 (total delivery and mail processing for letters) from \$0.569 (total delivery and mail processing cost for flats). An erratum will be filed with other corrections in my testimony.
