

BEFORE THE  
POSTAL RATE COMMISSION  
WASHINGTON, D.C. 20268-0001

POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF FILING SECOND ERRATA TO RESPONSE OF UNITED STATES  
POSTAL SERVICE WITNESS ANTHONY M. PAJUNAS (USPS-T-45) TO  
INTERROGATORY OF DAVID B. POPKIN, REDIRECTED FROM THE UNITED  
STATES POSTAL SERVICE (DBP/USPS-32) [SECOND ERRATA] (June 30, 2006)

The United States Postal Service hereby provides notice that today it is filing a second errata to the response of witness Anthony M. Pajunas (USPS-T-45) to the following interrogatory of David B. Popkin, filed on May 8, 2006, and redirected from the United States Postal Service:

DBP/USPS-32

The response to this interrogatory was filed on May 22, 2006. The first errata were filed on June 9, 2006, and corrected a header on the second page of the response. The attached second errata will correct the header on both pages to reflect the fact that this interrogatory was redirected from the Postal Service to witness Pajunas. The attachment should replace the May 22, 2006, response and June 9, 2006, first errata. There have been no changes to the response, itself.

The interrogatory is stated verbatim and is followed by the response.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.

Chief Counsel, Ratemaking

475 L'Enfant Plaza West, S.W.  
Washington, D.C. 20260-1137

RESPONSE OF USPS WITNESS PAJUNAS (USPS-T-45) TO  
INTERROGATORY OF DAVID B. POPKIN, REDIRECTED FROM THE UNITED  
STATES POSTAL SERVICE

**DBP/USPS-32.** Please advise the level of FedEx transportation that exists on each of the days of the week and on holidays and the day before and after a holiday. Please ensure that the response provides data when the effects of weekends and holidays are adjacent or overlap.

**RESPONSE:**

The FedEx day turn network runs every day except Monday. The FedEx night turn network runs every night except for Saturday night and Sunday night. FedEx does not run on the following holidays: New Year's Day, Memorial Day, the Fourth of July, Labor Day, Thanksgiving, and Christmas. On the days before and after a holiday, the Postal Service is able to utilize the same capacity on FedEx as it does on other days. This is true even when a holiday overlaps, or is adjacent to, a day when FedEx does not run.

<b><u>FedEx Network Holiday Operations</u></b>
