Docket No. N2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE REGARDING
ITS INTENT TO FILE LIBRARY REFERENCE N2006-1/21
UNDER PROTECTIVE CONDITIONS

The United States Postal Service hereby gives notice that, tomorrow, it intends to file a category 4 Library Reference under protective conditions that are consistent with Presiding Officer's Ruling No. N2006-1/7 (May 5, 2006). The filing of this Library Reference will be in reply to the Presiding Officer's Ruling on July 18, 2006 (Tr. Vol. 2 at XXX) made in response to the request by the American Postal Workers Union for copies of draft Area Mail Processing worksheets prepared in connection with the five Northeast Area AMP studies that were terminated before being submitted to postal headquarters for cross-functional review and completion. That Library Reference will be designated as follows:

USPS LR N2006-1/21 Unredacted Copies of AMP Worksheets For
Terminated AMP Studies

For purposes of preparing a companion "public" version of this Library Reference, it is anticipated that the task of redacting commercially sensitive data from Worksheets 4 and 7 of these drafts is a task that may not get accomplished before July 28, 2006.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
