Docket No. N2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING OF LIBRARY REFERENCE N2006-1/21
UNDER PROTECTIVE CONDITIONS
(July 20, 2006)

The United States Postal Service hereby gives notice that it is filing a category 4 Library Reference under protective conditions that are consistent with Presiding Officer's Ruling No. N2006-1/7 (May 5, 2006). The Library Reference is designated as follows:

USPS LR N2006-1/21 Unredacted Copies of AMP Worksheets For
Terminated AMP Studies

The filing of this Library Reference is in reply to the Presiding Officer's Ruling on July 18, 2006 (Tr. Vol. 2 at p. 526), made in response to the request by the American Postal Workers Union for copies of draft Area Mail Processing worksheets prepared in connection with five Northeast Area AMP studies that were terminated before being submitted to postal headquarters for cross-functional review and completion. An additional set of similarly situated AMP Worksheets has been located and is also included in the Library Reference.

As indicated in an earlier pleading, it is anticipated that the task of redacting commercially sensitive data from Worksheets 4 and 7 of these drafts is a task that may not get accomplished before July 28, 2006. At such time, a companion Library

Reference containing redacted copies of the documents in USPS Library Reference
N2006-1/21 will be filed.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
