OCA/WMB-T1-11. This interrogatory seeks information on the reaction of Washington Mutual Bank (WMB) to rate changes. Please refer to your revised testimony at page 6, lines 6-9, which seems to say that WMB reacts to rate changes by changing the proportions of First and Standard marketing volumes, subject to the constraints that the total number of marketing pieces remains the same and the marketing budget remains the same.

- a. Is this a correct restatement of your testimony? If not, please identify the errors in the restatement.
- b. Please describe how WMB will react to the R2006-1 rate changes when they take effect.
