POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING
A REVISED LIBRARY REFERENCE USPS-LR-L-115 [ERRATA]
(July 31, 2006)

The United States Postal Service hereby files notice that today it is filing a revised Library Reference USPS-LR-L-115, *Standard Mail Hybrids and Parcels Cost Estimates/PRC Version*, a Category 5 library reference. Three revisions are being made: 1) the revised flats mail processing unit cost estimates by rate category from USPS-LR-L-102, which was revised on June 28, 2006, have been added to page 1; 2) corrected premium pay factors, which had been incorrect at the fifth or sixth decimal point, have been added to page 28; and 3) revised APPS and SPBS/LIPS piggyback factors have been added to page 29. Revisions to the APPS and SPBS/LIPS piggybacks factors are required for two reasons. First, the piggyback factors were revised in USPS-LR-L-98. See Notice of the United States Postal Service of Filing of Revisions to Library Reference USPS-LR-L-98 (June 27, 2006). Second, the L-115 model was errantly using the APPS piggyback factor without REC costs included; the revised model correctly uses the APPS piggyback factor with REC costs included (as provided in the revised USPS-LR-L-98).

These revisions affect the following pages of the model: pages 1, 2, 4, 6, 8, 10, 12, 14, 16, 18, 20-23, 28, and 29.

The revised library reference replaces the original in its entirety. Copies are also on file with the Postal Service library.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
