**REVISED RESPONSE OF UNITED STATES POSTAL SERVICE WITNESS AYUB TO INTERROGATORY OF THE OFFICE OF THE CONSUMER ADVOCATE**

**.OCA/USPS-T1-45.** Please refer to the Postal Service's request, Attachment F,

"Negotiated Service Agreement Between United States Postal Service and Bank of America Corporation," Section IV.C.3.a. and b., which states:

a. The Postal Service will determine the total number of letter rated First-Class Mail mailpieces of Bank of America Mail that are read and accepted during their first pass through Postal Service mail sorting equipment during an applicable quarter.

b. The Postal Service will divide the number identified in Section IV.C.3.a above by the total number of letter-rated First-Class Mail mailpieces of Bank of America Mail that receive a first pass through Postal Service mail sorting equipment during the same quarter.

Also, please refer to your response to OCA/USPS-T1-5(a), which states:

(a) The term "accepted" in the context of this NSA refers to the volume of mailpieces that are presented to the Postal Service for mailing for which postage is paid. Data on the volume of mail that is presented and therefore "accepted" by the Postal Service will be recorded and reported using Seamless Acceptance.

\* \* \* \* \*

The term "read" in the context of this NSA refers to the volume of mailpieces that are accepted by the Postal Service and are processed by the Postal Service's automated letter mail processing equipment. Mailpieces that cannot be read (i.e., process by the Postal Service's automated letter mail processing equipment) must be diverted to manual operations for processing.

Please reconcile your response with Attachment F, Section IV.C.3.a. and b. OCA/USPS-T1-46.

**RESPONSE:**

Please see my revised response to OCA/USPS-T1-5(a), filed on June 11, 2007.

## **CERTIFICATE OF SERVICE**

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
