Docket No. RM2007-1

**RESPONSE OF
THE MAIL ORDER ASSOCIATION OF AMERICA
TO
THE UNITED STATES POSTAL SERVICE'S
PROPOSED MAIL CLASSIFICATION SCHEDULE**

Pursuant to the Commission's Orders No. 26 and 33 the Mail Order Association of America (MOAA) submits these comments in response to the Postal Service's Initial Mail Classification Schedule as filed with the Commission on September 24, 2007.

MOAA supports the Schedule as filed by the Postal Service which is responsive to the Commission's discussion of the issue as found in its Order No. 26. The Postal Service has provided a clear explanation of its choices. The Schedule represents a sound approach to classification, although future developments may require this issue to be revisited, as is recognized by the Postal Service.

Respectfully submitted
