DAVID B. POPKIN MOTION FOR LATE ACCEPTANCE OF REPLY BRIEF

November 23, 2007

Respectfully submitted,

MC20073MOTION

DAVID B. POPKIN, POST OFFICE BOX 528, ENGLEWOOD, NJ 07631-0528

I move for late acceptance of my Reply Brief. I thought it was filed around 3:30 PM on November 21st but when I checked the completed Daily Calendar at around 5:30 PM it was not there. I modified the date on the Reply Brief to the next business date and e-mailed a copy to all parties in the Docket at 5:59 PM. Other than changing the date filed, the Reply Brief was refiled without change. Since no other party filed a Reply Brief, I believe that no party will be prejudiced by the late filing.
