Section I: FOIA Leadership and Applying the Presumption of Openness

The guiding principle underlying the Attorney General’s 2022 [FOIA Guidelines](#) is the presumption of openness. The Guidelines also highlight the importance of agency leadership in ensuring effective FOIA administration. Please answer the following questions about FOIA leadership at your agency and describe the steps your agency has taken to ensure that the presumption of openness is being applied to all decisions involving the FOIA.

A. Leadership Support for FOIA

1. The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at least at the Assistant Secretary or equivalent level. See 5 U.S.C. § 552(j)(1) (2018). Is your agency’s Chief FOIA Officer at or above this level?

Yes.

2. Please provide the name and title of your agency’s Chief FOIA Officer.

David Trissell
General Counsel

3. What steps has your agency taken to incorporate FOIA into its core mission? For example, has your agency incorporated FOIA milestones into its strategic plan?

B. Presumption of Openness

4. The Attorney General’s 2022 FOIA Guidelines provides that “agencies should confirm in response letters to FOIA requesters that they have considered the foreseeable harm standard when reviewing records and applying FOIA exemptions.” Does your agency provide such confirmation in its response letters?

This language is added to all FOIA release letters that use a discretionary FOIA exemption.

5. In some circumstances, agencies may respond to a requester that it can neither confirm nor deny the existence of requested records if acknowledging the existence of records would harm an interested protected by a FOIA exemption. This is commonly referred to as a *Glomar* response. If your agency tracks *Glomar* responses, please provide:

- the number of times your agency issued a full or partial *Glomar* response during Fiscal Year (FY) 2024 (separate full and partial if possible);
0.
- the number of times a *Glomar* response was issued by exemption during FY 2024 (e.g., Exemption 7(C) – 20 times, Exemption 1 – 5 times).
0.

6. Optional -- If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here.

The majority of the Commission's records are publicly available through the Dockets system.

Section II: Ensuring Fair and Effective FOIA Administration

The Attorney General's 2022 [FOIA Guidelines](#) provide that "[e]nsuring fair and effective FOIA administration requires . . . proper training, and a full understanding of FOIA obligations by the entire agency workforce." The Guidelines reinforce longstanding guidance to "work with FOIA requesters in a spirit of cooperation." The Attorney General also "urge[s] agency Chief FOIA Officers to undertake comprehensive review of all aspects of their agency's FOIA administration" as part of ensuring fair and effective FOIA administration.

A. FOIA Training

1. The FOIA directs agency Chief FOIA Officers to ensure that FOIA training is offered to agency personnel. See 5 U.S.C. § 552(a)(j)(2)(F). Please describe the efforts your agency has undertaken to ensure proper FOIA training is made available and used by agency personnel.

6. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In particular, please describe how often and in what formats your agency provides FOIA training or briefings to non-FOIA staff; and if senior leaders at your agency received a briefing on your agency's FOIA resources, obligations and expectations during the FOIA process?

Individual training is provided for employees required to provide documents in response to a FOIA request.

B. Outreach

7. As part of the standard request process, do your FOIA professionals proactively contact requesters concerning complex or voluminous requests in an effort to clarify or narrow the scope of the request so requesters can receive responses more quickly? Please describe any such outreach or dialogue and, if applicable, any specific examples.

When necessary, the FOIA staff will reach out to requesters for clarification, but the Commission rarely receives request that require clarification.

The Attorney General’s 2022 [FOIA Guidelines](#) emphasize that “proactive disclosure of information is . . . fundamental to the faithful application of the FOIA.” The Guidelines direct agencies to post “records online quickly and systematically in advance of any public request” and reiterate that agencies should post records “in the most useful, searchable, and open formats possible.”

1. Please describe what steps your agency takes to identify, track, and post (a)(2) proactive disclosures.

The Attorney General's 2022 [FOIA Guidelines](#) emphasize the importance of making FOIA websites easily navigable and complying with the [FOIA.gov](#) interoperability requirements. Please answer the following questions to describe how your agency is using technology to improve its FOIA administration and the public's access to information.

Please answer the following questions to describe how your agency is removing barriers to access, improving timeliness in responding to requests, and reducing FOIA backlogs.

A. Remove Barriers to Access

1. Has your agency established alternative means of access to first-party requested records, outside of the typical FOIA or Privacy Act process?

No.

2. If yes, please provide examples. If no, please indicate why not. Please also indicate if you do not know.

The Commission does not receive many first-party requests.

N/A.

5. If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, according to Section VIII.A. of your agency's Fiscal Year 2024 Annual FOIA Report, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less.

N/A.

6. Does your agency utilize a separate track for simple requests?

- Litigation
- Any other reasons – please briefly describe or provide examples when possible

The Commission had almost three times the number of requests in FY 2024 compared to the previous years. The increase in requests has led to a slight increase in the backlog, due to a flurry of requests received in the 4th quarter of FY 2024.

14. If you had a request backlog, please report the percentage of requests that make up the backlog out of the total number of requests received by your agency in Fiscal Year 2024. Please use the following calculation based on data from your Annual FOIA Report: (backlogged requests from Section XII.A) divided by (requests received from Section V.A) x 100. This number can be greater than 100%. If your agency has no request backlog, please answer with "N/A."

The backlogged requests make up 3.2 percent of the total number of requests received in FY 2024.

- An increase in the number of incoming appeals
- A loss of staff
- An increase in the complexity of the requests received (if possible, please provide examples or briefly describe the types of complex requests contributing to your backlog increase)
- Litigation
- Any other reasons – please briefly describe or provide examples when possible

The Commission does not have a backlog of appeals.

18. If you had an appeal backlog please report the percentage of appeals that make up the backlog out of the total number of appeals received by your agency in Fiscal Year 2024. Please use the following calculation based on data from your Annual FOIA Report: (backlogged appeals from Section XII.A) divided by (appeals received from Section VI.A) x 100. This number can be greater than 100%. If your agency did not receive any appeals in Fiscal Year 2024 and/or has no appeal backlog, please answer with "N/A."

N/A.

D. Backlog Reduction Plans
